Arthur Hansen
Rt. 2, Box 118
Harrison, ID 83833

Dear Mr. Hansen:

In response to your letter of October 9, 1987, I am sending you information from the Director of the Idaho Transportation Department, Kermit Kiebert, concerning the lack of cleanup efforts at the site of the old Milwaukee railroad tracks.

If, after reviewing Mr. Kiebert's report, you need more information or have further points you would like to raise, please don't hesitate to contact me.

With best regards,

Sincerely,

Cecil D. Andrus
